

Guillotine 502

- Compact, non-slip and robust: the ideal entry-level paper guillotine for hobby use
- Sturdy solid metal table with rounded edges and non-slip pads
- Handy recessed grips for safe and easy transport
- Format lines on the table to help align materials, with handy mm scale along the cutting edge
- Work comfortably thanks to the ergonomic handle optimised for power transmission from above
- Hardened steel upper blade (flat ground)
- Lower steel blade
- Both blades made of high-quality Solingen steel
- Manual clamping with clamping bar to securely fix the material being cut
- Two scale bars with mm scale for an exact 90° cut

Article number	00502-20043
Cutting length (mm)	320
DIN	A4
Cutting capacity (mm)	0,8
Cutting capacity A4 80 g/sm*	8
Table size (overall dimensions) (mm)	420 mm x 175 mm
EAN	4007885005027

* The indicated sheet capacity for cutting machines is due to standard paper weight of 80 gsm but is still subject to texture, quality and state of paper. All of such information is based on the general formula 10 sheets = 1 mm stack height and may only be used as an aid to orientation for the selection of the cutting machine.
